

Do you need help with co-payments for
your chemotherapy or cancer drugs?

CO-PAYMENT ASSISTANCE FOUNDATION

 **CANCERCARE**[®]

We're here to help.

HAVING INSURANCE
DOESN'T GUARANTEE
PATIENTS WILL BE
ABLE TO AFFORD
THEIR TREATMENT.

The Cancer*Care* Co-Payment Assistance Foundation is here to help.

We are a nonprofit organization that helps people being treated for cancer afford the insurance co-payments on the prescription medicines they need.

“AM I ELIGIBLE?”

To be eligible, you must meet certain criteria related to your diagnosis, treatment and financial situation. You must also have private insurance or Medicare that covers a portion of the prescribed chemotherapy or cancer drug. Financial help is not available for radiation treatment or symptom management.
